

## Milan From East to West

walking tour + tram

Starting from the eastern gate of Porta Venezia, the liberty style best site, we will ride through Indro Montanelli gardens, a pleasant park rich in greenery and important palaces. We will approach Brera artistic district from the remains of a water canal, proof of Leonardo work in Milan. Have a glimpse at the new bright skyline of Milan before getting to the elegant and cobblestone streets around Corso Garibaldi. From the bohemian neighborhood to La Scala square is not that far by bike! Singing la Traviata it will be funny to get to the Sforza castle and get impressed by the imposing ducal residence! Santa Maria delle Grazie, the Last Supper retreat will be the stop before proceeding western. You can't miss the romanesque complex of saint Ambrose basilica and the picturesque Porta Ticinese area, full of shops and unexpected corners. The end of our tour will be the renovated and bustling docks of Milan: Darsena is the right place to end the tour and enjoy a perfect typical lunch alongside the water ways of Milan.
